

# 布達佩斯條約締約國所承認之國際寄存機構清單

| 機構名稱                                                                                                                     | 國家                       | 取得資格日期             |
|--------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------|
| Advanced Biotechnology Center (ABC)                                                                                      | Italy                    | February 29, 1996  |
| Agricultural Research Service Culture Collection (NRRL)                                                                  | United States of America | January 31, 1981   |
| American Type Culture Collection (ATCC)                                                                                  | United States of America | January 31, 1981   |
| <i>Banco Nacional de Algas</i> (BNA)                                                                                     | Spain                    | October 28, 2005   |
| Belgian Coordinated Collections of Microorganisms (BCCM <sup>TM</sup> )                                                  | Belgium                  | March 1, 1992      |
| CABI Bioscience, UK Centre (IMI)                                                                                         | United Kingdom           | March 31, 1983     |
| <i>Centraalbureau voor Schimmelcultures</i> (CBS)                                                                        | Netherlands              | October 1, 1981    |
| China Center for Type Culture Collection (CCTCC)                                                                         | China                    | July 1, 1995       |
| China General Microbiological Culture Collection Center (CGMCC)                                                          | China                    | July 1, 1995       |
| <i>Colección Española de Cultivos Tipo</i> (CECT)                                                                        | Spain                    | May 31, 1992       |
| <i>Collection nationale de cultures de micro-organismes</i> (CNCM)                                                       | France                   | August 31, 1984    |
| Collection of Industrial Yeasts DBVPG                                                                                    | Italy                    | January 31, 1997   |
| Culture Collection of Algae and Protozoa (CCAP)                                                                          | United Kingdom           | September 30, 1982 |
| Culture Collection of Yeasts (CCY)                                                                                       | Slovakia                 | August 31, 1992    |
| Czech Collection of Microorganisms (CCM)                                                                                 | Czech Republic           | August 31, 1992    |
| DSMZ – <i>Deutsche Sammlung von Mikroorganismen und Zellkulturen</i> GmbH (DSMZ)                                         | Germany                  | October 1, 1981    |
| European Collection of Cell Cultures (ECACC)                                                                             | United Kingdom           | September 30, 1984 |
| IAFB Collection of Industrial Microorganisms                                                                             | Poland                   | December 31, 2000  |
| International Patent Organism Depository (IPOD), National Institute of Advanced Industrial Science and Technology (AIST) | Japan                    | May 1, 1981        |
| Korean Cell Line Research Foundation (KCLRF)                                                                             | Republic of Korea        | August 31, 1993    |
| Korean Collection for Type Cultures (KCTC)                                                                               | Republic of Korea        | June 30, 1990      |
| Korean Culture Center of Microorganisms (KCCM)                                                                           | Republic of Korea        | June 30, 1990      |
| Microbial Strain Collection of Latvia (MSCL)                                                                             | Latvia                   | May 31, 1997       |
| Microbial Type Culture Collection and Gene Bank (MTCC)                                                                   | India                    | October 4, 2002    |
| National Bank for Industrial Microorganisms and Cell Cultures (NBIMCC)                                                   | Bulgaria                 | October 31, 1987   |
| National Collection of Agricultural and Industrial Microorganisms (NCAIM)                                                | Hungary                  | June 1, 1986       |
| National Collection of Type Cultures (NCTC)                                                                              | United Kingdom           | August 31, 1982    |
| National Collection of Yeast Cultures (NCYC)                                                                             | United Kingdom           | January 31, 1982   |
| National Collections of Industrial, Food and Marine Bacteria (NCIMB)                                                     | United Kingdom           | March 31, 1982     |
| National Institute for Biological Standards and Control (NIBSC)                                                          | United Kingdom           | December 16, 2004  |
| National Institute of Technology and Evaluation, Patent Microorganisms Depository (NPMD)                                 | Japan                    | April 1, 2004      |
| National Measurement Institute (NMI)                                                                                     | Australia                | September 30, 1988 |
| National Microbiology Laboratory, Health Canada (NMLHC)                                                                  | Canada                   | November 30, 1998  |
| National Research Center of Antibiotics (NRCA)                                                                           | Russian Federation       | August 31, 1987    |
| Polish Collection of Microorganisms (PCM)                                                                                | Poland                   | December 31, 2000  |
| Russian Collection of Microorganisms (VKM)                                                                               | Russian Federation       | August 31, 1987    |
| Russian National Collection of Industrial Microorganisms (VKPM)                                                          | Russian Federation       | August 31, 1987    |

(總計： 37 個國際寄存機構)
